**Fifth Annual Indianapolis Admirals
R/C Model Boat Fun Run
Carmel, Indiana
October 4, 2014
Starting time 9:30AM**

Bring a table for your models and a chair for yourself. Some tables will be provided.

If you have something to sell, no fee for setting up a swap table.

If you have a quick shade, you are welcome to bring it. Some quick shades will be provided by the Admirals.

Entry fee is \$5 per boat. (ex. If you use a different boat for each of the three events, your entry fee is \$15, if you use the same boat for all three, \$5) Due to time restrictions, only one boat per event per contestant will be allowed. Display boats welcome. If you are just bringing a boat to run, no entry fee required. Correct change is appreciated.

Awards will be given for first place in each category and ribbons for second and third

Scale Course - Three events will be planned (See rules and explanation of each event on our website www.indyadmirals.org , click the Scale button, then 2013 Scale Regatta)

1) precision steering

2) Predicted log

3) Straight running

(Number of above events will be based on number of participants and time available)

Guest boats - We will have a few of our Midwest Tugs available for kids to run. A \$1 donation is appreciated but not required. If you need a boat to run, you can use one of the Midwest tugs for the same \$5 entry fee.

Free running will be available at all times. Our pond is huge, 29" deep and weed free (concrete bottom) If something comes off your boat, the water is crystal blue and clear. You can just go out and get it. If you have a large boat, will have our now famous, electric boat launcher there for your convenience.

2.4ghz Radios are preferred for ease of running both on the course and free running otherwise free running will be restricted to available frequencies

Excellent restroom facilities are at the pond site.

Several fast food places and shopping in the area, plus a new farmer's market across the street.

Site location: Carmel Indiana, 126th street west of Rangeline Rd, near the intersection of 3rd Ave and 126th St. 760 Third Avenue SW. Carmel ,Indiana 46032

The courses will be set up on the opposite end of the pond than what was done in previous years. We will attempt to have reserve loading and unloading and have carts available for your use.
