## AIRBRUSHING COSTS:

<b>Cut out &amp; wash body:</b>	<b>\$5.00</b>
<b>Simple one/two color paint:</b>	<b>\$20.00</b>
<b>Multi-color paint:</b>	<b>\$30.00</b>
<b>Liquid Masking Film:</b>	<b>\$5.00</b>
<b>Window Outlines:</b>	<b>\$10.00</b>
<b>Crystal Clear Sealer Coating</b>	<b>\$5.00</b>
<b>FASKOLOR Paint materials:</b>	<b>TBD</b>
<b>Custom Logo Masks:</b>	<b>TBD</b>
<b>Custom Graphics Art:</b>	<b>TBD</b>

\*I wash and dry all bodies prior to airbrushing to get rid of mold release agent and fingerprints or skin oils.

\*Supplied window masks are assumed and will be applied prior to paint.

\*If I cut out body, I will also sand edges to help prevent future cracks.

\*Uncut bodies, I will place masking tape at anticipated axle location so that you can mark your centerlines prior to cutting for wheel outlines.

\*I work with Parma Faskolor Paint only. It sticks great and colors pop.

\*If you want to be able to wash your body, Crystal Clear sealer coat is suggested.

\*If shipping is involved, my goal is to simply cover the actual cost.
